

Leadership

Our chapter offers the best leadership training opportunities offered anywhere. From conferences to conventions and individualized Officer training sessions we have what you need to grow into the best you can be!

Community Service

Our chapter is well known for our willingness to help others. The FFA motto is Learning to do, Doing to learn, Earning to live, Living to serve. Chapter members embody this motto through our chapters countless community service projects. As FFA members we feel compelled to lend a helping hand to those in need.

Colcord FFA

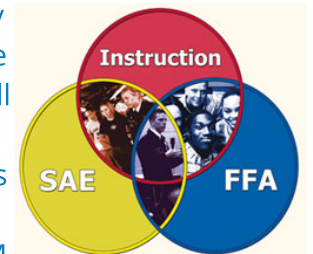

Est. 1947

Chartered in 1947 by the Oklahoma FFA association, the Colcord FFA chapter has helped nearly four thousand student members realize premier leadership, personal growth, and career success through agriculture education.

The chapter is guided by the 3 circle model of agriculture education, SAE instruction, and FFA. These core principals define our chapters desire to be the best locally, statewide, nationally.

"FFA has impacted my life in so many ways. I have made memories that will last a lifetime, forged friendships and learned so much." -Destiny M

Public Speaking/Awards

Lots of Fun!

"We have so much fun in Ag. The work is hard and expectations are high but we have fun even when we are working, Ag class has taught me that anything worth doing is worth giving 100%. -Lerami S

Enroll, Join in, after all your family

One of the biggest things that sets agriculture education apart from other classes is its unique curriculum. No day is ever the same in the ag building, ag truck or, ag bus. One day you might be in class learning about small engine operation and the next day you are in the greenhouse learning about plants, watering, and propagation techniques.

"I love ag class because there is never a dull moment and you never know what is coming next but you know its going to be awesome!" -Dalton S

Our goal as a chapter is to make each member feel welcome and valued. Our chapter leadership goes to great lengths to ensure that each member has a place and a voice. From class discussions to monthly meetings, each member counts and is an important part of the FFA family.

"When I came to Colcord I wasn't sure I was going to fit in or what to do. I took Ag I, joined the poultry team and went to the state contest my first year. Joining the FFA has been one of the best decisions I've made." -Melissa A

Our chapter enjoys a proud history of being competitive in the FFA on the state and National levels. In 2014 we were recognized as a 3-star National Chapter this award is extremely prestigious and to attain it a chapter must endure a rigorous Plan of Activities throughout the year. Our FFA chapter is proud of its membership for their hard work and dedication to the pursuit of accolades on all levels. Over the past five years the chapter has been competitive in 6 different contest areas and placed in the top ten of each area at the state level.
