

.:The Award Winning Colcord Band:.

Rocking The Nest!

The Colcord High School Band offers plenty of benefits to new students interested in joining, such as:

- ▶ Playing at all football games and basketball home games
- ▶ playing at state competitions
- ▶ Learning a new skill
- ▶ Highly social new classmates
- ▶ Being apart of a big, new family

As a band, we play an important part in school activities, as we play in football games and home basketball games, pep rallies, and in the homecoming parade. We play a lot of cool songs, such as Radioactive, All About That Bass, and Seven Nation Army and many more!

In Band, you will obviously need to learn to play an instrument, which is rewarding and hard work. Luckily, our teacher and the other students will be happy to help you learn and be your friend,. We're all one big family here in the Colcord Band!!
